FARMING IMPLEMENTS 2020

Dear customer,

This catalogue contains all Lister quality farming implements for horses, cattle and sheep.

Our product range was born from experience, the progress of technology and its requirements.

Lister GmbH, Germany was established in 1954 and since more than 60 years Lister GmbH, Germany has grown to one of the leading manufacturers of **animal clippers, drinking bowls/ drinking systems, electric fencing and farm and stable accessories.**

Lister Germany products are always a good choice!

Take a look at the new catalogue. Our products will convince you. As a manufacturer based in Germany, we pay attention to quality. Our staff is at your service with help and advice.

Furthermore our business-units of **dairy and industrial cooling** have expanded.

Further details can be found on our website
www.lister-kuehlung.com

**IHRE LISTER GMBH
- always the right decision! -**

HEATERS

E 3020

Electric milk heater, round shape with stainless steel stand pipe and polished pedestal, thereby very easy to clean. Protected against moisture, handy and easy to clean. High heating power and stepless adjustable thermostat. Very stable. Operational even with a small amount of liquid only. Compared with other heaters very fast heating-up time.

- **Nominal capacity:** 3000 Watt
- **Height:** approx. 860 mm
- **Diameter:** approx. 145 mm
- **Weight:** approx. 4.9 kg
- **Connection:** 230 Volt
- **Immersion depth:** min. 140 mm / max. 690 mm
- **Waterproof material IPX 7**

HONEY LIQUEFIER E 2020 HVF / E 2004 HVF

This heater is ideal for liquefying honey because of its optimal heat transfer and the round polished pedestal.

The temperature setting is selectable from +20°C to + 90°C due to its thermostat. It is also suitable for less filling quantities and can easily be cleaned due to the smooth surface. The used materials are food-safe.

TROUGHS AND SALTBLOCK HOLDERS

The Bacto[®] Protect Series

It is well known water is the most important nourishment for all living beings. Therefore it must be available in sufficient quantity and best quality. However, the quality of drinking water can seriously be degraded due to polluted pipelines but also by polluted drinking bowls which are contaminated with bacteria and germs.

Especially at animal drinking bowls and troughs bacteria and germs gather and reproduce undisturbed e.g. due to saliva of animals and due to uneaten food.

This is where our series "Bacto-Protect" takes place. The products of this series are made of a special plastic which has hygienic improving characteristics.

An advantage of these products is that the hygienic improving characteristics are present in the whole structure of the plastic so that the functionality is still given even in case the surface might be damaged.

The drinking bowls should be cleaned in regular intervals especially if they get heavily polluted during operation (remnants of hay, dust or similar things). This should be done in order to support the hygienic improving characteristics in an optimal way and to maintain the high effectiveness.

SL 3 BACTO[®] PROTECT

Bite resistant salt lick holder with hygienic improving characteristic and prevents increase of bacteria on surface. Existing bacteria die off. Protection up to 10 years

- **Weight:** approx. 0,64 kg
- **Width:** approx. 203 mm
- **Depth:** approx. 215 mm

TROUGHS AND SALTBLOCK HOLDERS

SET 109

Dividing sticks. Set for FU 109.

Article	Article no.	Quantities
SET 109	30-0144130	per pcs

FU 113

Plastic wall feeding trough for horses, goats, sheep and cattle, made of high-class plastic material.

- **Weight:** approx. 1,5 kg
- **Content:** approx. 13,5 l
- **Height:** approx. 340 mm
- **Width:** approx. 290 mm
- **Depth:** approx. 290 mm
- **Front height:** approx. 220 mm

Article	Article no.	Quantities
FU 113	30-0144300	per pcs

FU 118

Plastic feeding trough for horses to hang in stables and horse boxes. With built-in handle for safe carrying.

- **Weight:** approx. 2,6 kg
- **Content:** approx. 30 l
- **Width:** approx. 435 mm
- **Depth:** approx. 400 mm
- **Front height:** approx. 290 mm

Article	Article no.	Quantities
FU 118	30-0144350	per pcs

FU 140

Plastic feeding trough for horses. Optimized shape sloping to the rear to enable animal-friendly feeding. Open bits at the corners allow for a quick survey of the remaining amount of feed. Reduced throwing out of feed thanks to bent edges. Easy to clean due to rounded corners, 20 mm drain and sunk-in plug.

- **Weight:** approx. 2.2 kg
- **Content:** approx. 17 l
- **Height:** approx. 210 mm
- **Width:** approx. 430 mm
- **Depth:** approx. 330 mm

Article	Article no.	Quantities

DEHORNER AND SOLDERING DEVICE

DEHORNER CE STANDARD TYP II

High-duty electric dehorner with improved safety transformer 24 V - 180 VA.
Form and temperature of dehorner hand piece and tip guarantee a hygienic and animal protecting dehorning of calves.

Burning tip easy to change.

Safety handle with protection ring avoids bending and breaking of the cable during the dehorning process.

Temperature at burning tip approx. 700°C

Supplied with two dehorning tips:

A) supplied loose as accessory, B) fitted on dehorner

- **Voltage:** 24 Volt
- **Nominal capacity:** 170 Watt
- **Heating-up time:** 10 min.
- **Cablelength:** 4 m

Article	Article no.	Quantities
DEHORNER CE STANDARD TYP II	13-0230252	per pcs

BURNING TIP A

For dehorner CE Standard. For normal calves.

- **Outer-diameter:** 16 mm
- **Inner-diameter:** 13 mm
- **Depth:** 12 mm

Article	Article no.	Quantities
BURNING TIP A	19-0230016	per pcs

BURNING TIP B

For dehorner CE Standard. For heavy calves.

- **Outer-diameter:** 19.5 mm
- **Inner-diameter:** 17.5 mm
- **Depth:** 12 mm

Article	Article no.	Quantities
BURNING TIP B	19-0230015	per pcs

SOLDERING DEVICE TYPE HLBA 230

Equipped with cable, Schuko-plug, tip B and stand.

Tip temperature 700 °C.

- **Voltage:** 230 Volts
- **Nominal capacity:** 165 watts

Please respect authorities' regulations for your country!

- **Width:** 40 mm

Article	Article no.	Quantities
HB 104 D	38-0167963	per pcs

BR 101

Nylon double bottom belt, blue, with rings 8 mm and with carabiner hook.

- **Length:** 0.7 m
- **Total length:** 1.40 m

Article	Article no.	Quantities
BR 101	38-0167978	per pcs

BR 107 E

Nylon single bottom belt, blue, with ring 8 mm and with carabiner hook.

- **Length:** 0.7 m

Article	Article no.	Quantities
BR 107 E	38-0167982	per pcs
BR 102 E	38-0167979	per pcs

COLLARS AND TIES

E 5 SINGLE CHAIN

Zinc plated iron single chain with toggle and swirl, 5 mm strong.

- **Length:** 0.6 m

Article	Article no.	Quantities
E 5 SINGLE CHAIN	38-0167994	per pcs

D 6 DOUBLE CHAIN

Zinc plated iron double chain with toggle and carabiner hook, 6 mm strong.

- **Length:** 0.6 m
- **Total length:** 1.2 m

Article	Article no.	Quantities
D 6 DOUBLE CHAIN	38-0167995	per pcs

BAB 150

Nylon bull collar, green, leather reinforced, with double pin buckle and D-Ring.

- **Length:** 1.5 m
- **Width:** 50 mm

Article	Article no.	Quantities
BAB 150	38-0171000	per pcs

BAB 170

Nylon bull collar, green, leather reinforced, with double pin buckle, swirl and D-Ring.

- **Length:** 1.7 m
- **Width:** 70 mm

Article	Article no.	Quantities
BAB 170	38-0171100	per pcs

NYLON CATTLE TIE 1 S

Nylon band with metal cover plate, well finished, strong quality, galvanized chains, plastic dead-eye and metal reinforcement. Single belt. Lower chain always with ring 10 x 50 mm + 3 chain left 8 x 54 mm, upper chain always with 8 mm triangle + 5 chain left 8 x 54 mm.

- **Total length:** 1.8 m

Article	Article no.	Quantities
NYLON CATTLE TIE 1 S / 1,8 m	38-0166000	per pcs
NYLON CATTLE TIE 1 S / 1,9 m	38-0167000	per pcs

NYLON CATTLE TIE 2 S RU /1,9 m	38-0167902	per pcs

RH 1

Tubular chain collar for cows and cattle.

● **Tube length:** 35 cm

Article	Article no.	Quantities
RH 1	22-0164000	per pcs

RH 2

Tubular chain collar for calves.

● **Tube length:** 25 cm

Article	Article no.	Quantities
RH 2	22-0165000	per pcs

RH 5

Tubular chain collar with quick release-hook for cows, cattle and bulls.

● **Tube length:** 35 cm

Article	Article no.	Quantities
RH 5	22-0167000	per pcs

COLLARS AND TIES

FH 9

Flat chain collar with 9 rings, galvanized quality chain.

● **Total length:** 80 cm

Article	Article no.	Quantities
FH 9	38-0168000	per pcs

FH 10

Flat chain collar for bulls with 8 rings and large end ring, galvanized quality chain.

● **Total length:** 90 cm

Article	Article no.	Quantities
FH 10	38-0169000	per pcs

NYLON LEG TIE FOR COWS

With buckle, leather reinforced.

● **Length:** 1,4 m
● **Width:** 4 cm

Article	Article no.	Quantities
NYLON LEG TIE FOR COWS	38-0183000	per pcs

ADJUSTABLE NYLON LEG TIE "STANDARD"

With buckle, leather reinforced.

● **Length:** 1,4 m
● **Width:** 4 cm

Article	Article no.	Quantities
ADJUSTABLE NYLON LEG TIE "STANDARD"	38-0183005	per pcs

OTHERS

CATTLE IMMOBILIZER

Galvanized, very strong model, adjustable by approx. 22 cm.

Article	Article no.	Quantities
CATTLE IMMOBILIZER	38-0185500	per pcs

Aluminium holder for milk churns.

Article	Article no.	Quantities
K 1	38-0202000	per pcs

EB 10

For house, farmyards, garden and leisure. Spray nozzle steplessly adjustable.

Article	Article no.	Quantities
EB 10	38-0190001	per pcs

G 2 N

Yardscraper, galvanized, with scretching edge, rubber exchangeable, extremely robust, strong rubber strip.
Straight version.

- **Width:** approx. 550 mm

Article	Article no.	Quantities
G 2 N	38-0193000	per pcs

G 4 N / G 5 N / G 6 N

Yardscraper, galvanized, with scretching edge, rubber exchangeable, extremely robust, strong rubber strip.
Curved version.

- **Width:** approx. 550 mm

Article	Article no.	Quantities
G 4 N	38-0195100	per pcs
G 5 N	38-0196000	per pcs
G 6 N	38-0198000	per pcs

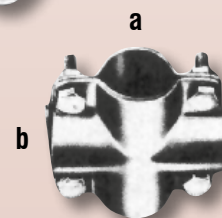

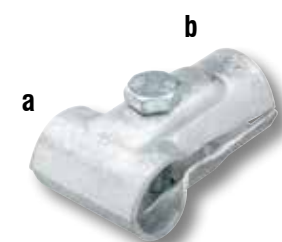

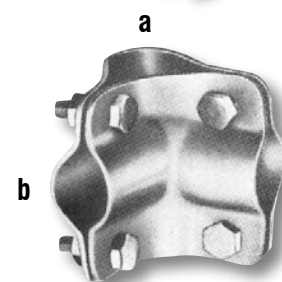

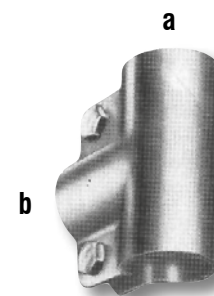

SPARE RUBBER

Spare rubber without bores. For G 2 N and G 4 N

Article	Article no.	Quantities
Spare rubber for G 2 N & G 4 N	38-0195103	per pcs

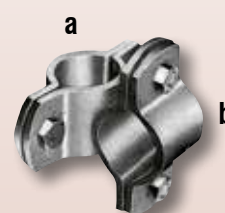

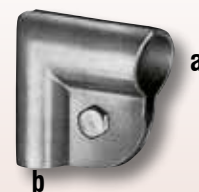

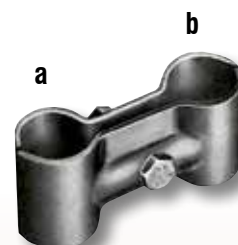

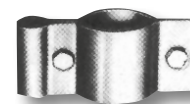

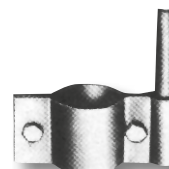

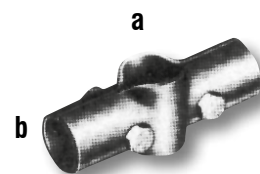

PIPE CLAMPS
